RECEIVED  
FEC MAIL ROOM  
2000 NOV - 1 A 9 29

Upon review of the Reform Party of the United States postings on [www.fec.gov](http://www.fec.gov) it was noted that Harry Kresge is again listed as National Treasurer. I refer you to my letter of August 23, 2000 and the Statement of Organization (FEC Form 1) attached thereto. Also to my letter of October 13, 2000 regarding funds solicited by Mr. Mangia and Mr. Kresge in the name of the Reform Party of the United States of America. Neither the solicitation of those funds nor the naming of Mr. Kresge as Treasurer were authorized acts of the Reform Party of the United States of America in accordance with our Party's Constitution. Those funds are still held in an account controlled by Mr. Kresge and to date have not been deposited in any authorized account of Reform Party of the United States of America. Although Judge James L. Wright of the Superior Court of California has issued an injunction enjoining Mr. Kresge and others from soliciting, collecting or expending funds on behalf of the Reform Party of the United States of America and preventing them from using the name, or making communications on behalf, of the Reform Party of the United States of America, the above mentioned funds remain in an account controlled by Mr. Kresge and neither the funds nor the contribution and expenditure records have been submitted to the Treasurer of the Reform Party of the United States of America as required by FEC regulations.

Attached is a new Statement of Organization (FEC Form 1) once again listing the correct information regarding the Treasurer and official account of the Reform Party of the United States of America.

Very truly yours,

Thomas J. McLaughlin
